Jamie's Pond Wildlife Management	From Hallowell, take the Outlet Road to Jamie's Pond Road, a dirt road forking off to the right, marked by a small street sign. Proceed (slowly) for ½ mile and look for a turn-off down to the pond on your left. There is also parking along jamie's Pond Road itself, a better idea in the winter. From Manchester, there is access from both the Collins Road and the Meadow Hill Road. Access also in Hallowell.	Various trails are well marked and have locator maps at trailheads and intersections. Loops connect to allow hikers to choose shorter or longer walks, all in the easy to moderate difficulty range.		http://capitalwalks.blogspot.com/2008/09/jamies-pond.html
